### **EFFECTIVE TEAM INVOLVEMENT: THE ART OF RESPONSIBLE FOLLOWSHIP**

Followship is often ignored as an important topic. Indeed, it is frequently seen as an insult or demeaning term! Yet research states that over 80% of a team's performance is based on effective followship.

Effective teams embrace the jobs of leaders and followers.

This workshop will help you:

- Identify the roles of team members in the work of the team
- Identify the obstacles to effective followship\
- Develop approaches for making the team (leaders and followers) more effective

Time format: ½ day or 1 day
