PERFORMANCE APPRAISAL PROCESSES THAT MAKE SENSE

If you or your organization are typical, your performance appraisal process:

- Is a huge waste of valuable time
- Doesn't measure the specific job of the employee
- Undermines rather than supports effective performance

There is a better, more efficient and time sensible way to do performance appraisals. This specialized workshop will show you how to create a performance appraisal process that is:

- Job specific for every person
- Useful for team leaders and team members
- Accurate in measuring rater expectations
- Dynamic and changing as job expectations change

Training is also available on Effective Performance Appraisal Techniques.

Time format: Varies according to organizational needs.
